Michigan Tech

On-Field Research Study Promotion

I made a banner and flyer to help recruit people to participate in a research study outside of Houghton.

SAMPLE

Looking for Volunteers for Rail Warnings Connected Vehicle Research Study

Michigan Tech
Civil, Environmental, and
Geospatial Engineering

Participants will Drive a Chevy Volt

In order to participate in this study, you must meet the following criteria:

- Hold a valid U.S. driver's license authorizing you to drive a vehicle in the state of Michigan
- Be 18 years of age or older
- Been driving for at least 2 years
- Have no traffic violations in the past 6 months
- Not currently taking prescription or over-the-counter medications, or recreational drugs that could impact your ability to safely drive a car

When and Where:
Mid October, 2021
in
Escanaba

Michigan Tech Civil Engineering is looking for volunteers to drive a Chevy Volt on a 20-minute loop in Escanaba and answer some questions about it. Takes up to an hour and you will be compensated \$20 for your time. You will not gain any direct benefits other than driving the Chevy Volt from the project, we hope that an improved warning system will improve railroad crossing safety.

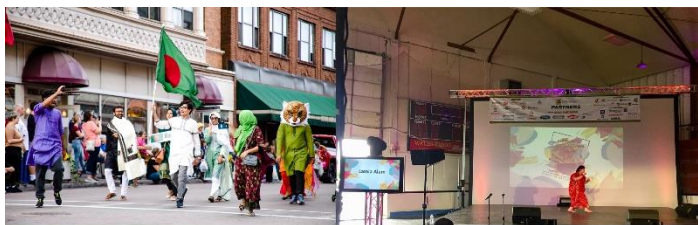

For more information or to participate, please contact,

GSG Cultural Night - 2023

As an effort to celebrate GSG Cultural Night at Michigan Tech under Bangladeshi Student Association's (BSA) Banner in 2023, I was leading the team that created two visual posters that represented Bangladesh and BSA.

POSTERS

**Michigan
Technological
University**

The Bangladeshi Student Association (BSA) at Michigan Tech celebrates cultural events including Pohela Boishakh, Pohela Falgun, Eid, and Puja with traditional music, dancing, and food to promote Bangladesh's rich cultural history and build community among Bengali students.

BSA also goes on Fall Color Tours and Summer Tours in Michigan's Upper Peninsula to make memories and bond. The MTU Bangladeshi community engages in school activities like the Parade of Nations, showcasing the vibrant culture and heritage of Bangladesh through colorful attire promoting cultural diversity and fostering a sense of pride among the community.

**BANGLADESHI
STUDENT ASSOCIATION
MTU**

Logo for Bangladeshi Student Association at Michigan Tech

I took the initiative and designed the logo for the Bangladeshi Student Association at Michigan Tech.
